

## Final External Auditor Report and Certificate 2019/20 in respect of St Ives Town Council CO0153

### Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### External auditor report 2019/20

On 26 November 2020, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2020. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- A credit card balance of £2,005 has been incorrectly included in the bank reconciliation when it should have been included as a creditor and formed part of the Box 7 to Box 8 reconciliation. A similar balance of £2,747 was incorrectly included in the prior year bank reconciliation. The figures in Section 2, Box 8 for the current and prior years should read £403,524 and £523,988 respectively.

The smaller authority has disclosed that it made proper provision during the year 2019/20 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, we are aware that it failed to do this since the public rights period did not include the first ten working days of July and therefore the answer to this assertion should have been "No".

Other matters not affecting our opinion which we draw to the attention of the authority:

None
