Signed:

Jamie Thomas
Responsible Financial Officer & Corporate Services Manager
St Ives Town Council
30 November 2021

CIL is a charge that local authorities can set on new development in order to raise funds to help fund the infrastructure, facilities and services in their area. Most new development which creates net additional floor space of 100 square metres or more, or creates a new dwelling, is potentially liable for the levy. Some developments may be eligible for relief or exemption from the levy. This money is collected and paid to the planning authority and a contribution is made to the appropriate Town/Parish council.

All Town & Parish Councils are required to display this form or an equivalent on their own websites no later than the 31st December after each financial year.

Each year, a report must be submitted to Cornwall Council relating to CIL receipts, expenditure and retained balances.
